

Sample Prompt

CHAPTER-05

MS Office related solution from DeepSeek

02 Create PowerPoint slides as per our requirements

Below are **100 sample prompts** you can use to generate PowerPoint slides based on various requirements. These prompts cover a wide range of topics, styles, and customization needs.

Tips for Better PowerPoint Prompts:

- ✚ Specify slide count, design style (minimalist, corporate, creative).
- ✚ Mention if you need animations, transitions, or interactive elements.
- ✚ Include whether it's for print, presentation, or online sharing.
- ✚ Define the audience (executives, students, clients).
