3. Add the address provided from the text document, the price of the listing and the bedroom/bathroom and square footage information.

4. Arrange the photo, and text in a pleasing manner on the slide.

5. If you wish, change the background color of the slide.

6166 N Sheridan Rd 2e

Chicago, IL 60660

Offered at \$164,000

2 Beds | 2 Baths | 1,200 sqft

Northeast corner, treetop 2 bedroom, 1.5 bath duplex across the street from Lake Michigan. Sleek and modern rehab is right out of HGTV! Huge, open-concept space on the main level offers a powder room for guests. The kitchen has white with grey marble Quartz countertops and a huge waterfall island, abundant storage in all white cabinetry, bronze hardware, pendant lights, tucked away built-in microwave, stainless appliances, and farm sink, all finished off with a white herringbone railroad tile backsplash.

Wide-plank grey engineered flooring throughout. Upstairs are 2 extra-large bedrooms and a full bath with a double vanity sink and a combination of glass and herringbone railroad tile tub and shower surround. Versatile Elfa shelving and 3 wall-mounted A/C units round out this beautiful home.

Take in the azure water views, sunrises, sunsets, and cool lake breezes from your balcony, or hang out on the sundeck at the outdoor pool. Windows have been replaced and the roof is 3 years old!! Assessments include heat/cable/internet/door staff/pool/elevator and more. On-site management and engineer. Common laundry is whistle-clean and paid with a card - no need to hoard your quarters. Parking options include \$167/mo covered or \$155/mo uncovered in the building.

6. Add a blank slide to your presentation.

7. Using design elements consistent with the first slide, add the photo **Exterior 02.jpg** to the new slide and the longer description of the property from the text document.

8. Add three more blank slides to your document.

9. Using 3-4 photos per slide, create photo layouts with the interior photos included.

10. Add one more blank slide to your slideshow.
