DROID**STUDIOS**

Hi, David here. Thank you for purchasing this course.

Download Adobe Premier Pro with these Links

For Windows Users
https://igetintopc.com/adobe-premiere-pro-cc-2018-12-1-2-69-x64-free-download/

For Mac OS Users
https://igetintopc.com/adobe-premiere-pro-cc-2018-12-1-1-macos-free-download/

All Students who filled out their email for the waiting list would be coached for their first 10 Video Projects.

Steps in Installing Premier Professional
1. Unzip Folder
2. Find the Setup.exe or Setup.dmg file for MacOs
3. Boom! Watch the White Window install to 100%

If you like to know more about the Coach, check out his portfolio
